Pup-cakes

Want to treat you favourite pup? This recipe is filled with all things good for your dog so why not let them join in on your next celebration or have one of their own.

Ingredients:

<u>For the pup – cakes:</u>
2 tablespoons peanut butter
2 tablespoons oil
1 medium banana (mashed)
2 tablespoons honey
1/2 cup whole wheat flour
1/2 teaspoon baking soda
1/4 teaspoon baking powder
<u>Icing:</u>
1/2 medium banana (mashed)
2 tablespoons peanut butter

Picture for illustration purposes only. Please check the ingredients of sprinkles before feeding them to your pets.

Instructions:

- Preheat the oven to 180°C. Spray a mini muffin pan with cooking spray.
- Stir peanut butter, oil, banana, and honey together.
- Then stir in the flour, baking soda, and baking powder until combined and place an even amount into your muffin pan.
- Bake for 10-20 minutes, until browned and a toothpick inserted in the center comes out clean.
- Cool completely before frosting.
- <u>Icing:</u> stir mashed banana and peanut butter together and frost, altenatively use 2 tablespoons of cream cheese mixed with two tablespoons of peanut butter.
- Serve immediately to prevent browning.
